JOB CONNECTIONS POWERED BY PIPELINE

Yavapai College Pipeline AZ leverages skills mapping technology to help companies discover Arizona talent from programs producing the top in demand skills.

Recruitment made easy

Your jobs are automatically matched and pushed to the candidates that fit your requirement.

Qualified Candidates

Our technology matches skill sets rather than job titles, ensuring you receive quality candidates.

Internships & Apprenticeships

Develop future talent through customized work-based learning opportunities we'll work with you to design.

Join Job Connections

Find Your Ideal Candidates

QUICK START GUIDE: CONNECT WITH TOP TALENT

1. Register At yc.pipelineaz.com

- Sign-up is easy, and only takes a few minutes.

2. Create Your Company Profile

- Create an online presence with employer marketing tools that help your organization stand out with skills and interests that align with your open positions.

3. Post Unlimited Jobs

- Post job openings, internships, and apprenticeships to reach qualified candidates who are actively seeking employment or work-based learning experiences.

4. Coordinate With Regional Economic Development Center (REDC)

- Work with REDC liaison to get the most out of our candidate matching technology.
-

We were able to start using Pipeline AZ this past spring and immediately connected to great talent. We are excited to formally collaborate with Industry to bring this solution to market.”
